Amos Martin has been actively engaged in the Frederick County community for many years prior to becoming a REALTOR® three years ago. Working with RE/MAX Plus, Amos has built an impressive career and was named the 2017 FCAR Rookie of the Year.

He works with the committee to find pertinent and relevant information to present to FCAR members each month at the Informed Professionals Lunch and Learn seminars.

"My experience with running successful small businesses and business management have helped prepare me to take on a leadership role within FCAR," Amos says. "I am looking forward to continuing to serve my fellow FCAR members and the community."
